### **Boys to Men: The Transforming Power of Virtue**

*Need a spiritual workout? Boys to Men: The Transforming Power of Virtue is a Bible study designed specifically for men who want to build their spiritual strength.*

---

*Boys to Men: The Transforming Power of Virtue* is a readable and reliable guide to learning, practicing, and passing on the virtues. The time-tested roadmaps leading to virtuous Christian manhood have been lost. *Boys to Men* will help Catholic men recover the virtuous life, thus becoming authentic men of God. It is essential that Catholic fathers pass the knowledge and practice of the virtues on to their children. Every Christian [or Catholic] father needs a few essential books in his father's "tool box." This book is one of them. Get it, read it, and most important, practice it.

This book is highly recommended to all St. Joseph's Covenant Keepers. The study questions at the end of each chapter make this a perfect book for men's small groups.

—Steve Wood  
St.. Joseph's Covenant Keepers

Through the years, many Catholic men have attended Promise Keepers' events. A sequence of 'mens books' have been written by men from a variety of backgrounds. Now, an excellent one has been written by a devout Catholic, rooted in Scripture and Catholic in style, *Boys to Men* will be a blessing and a challenge to any man.

—Bill McCartney  
Founder/President, Promise Keepers

*Boys to Men* is a wonderfully written and well thought-out study guide on the transforming power of virtue. The authors blend a variety of life experiences along with solid support gathered from the Catechism and Holy Scripture. This book will make you work!"
