Mystery of the Kingdom: On the Gospel of Matthew

"Edward Sri has moved us beyond the typical modern limitations in reading Matthew. Read this book attentively, then, and you'll come to a deeper love of the people and the religion of Israel, the people and the religion of our Messiah and King.

—Scott Hahn

"Emmaus Road has done it again! This is a dynamic Bible study that draws you close to Christ and the Church He founded. Edward Sri shows us why his college courses are overflowing with excited students—he makes the Scriptures come alive."

—CURTIS A. MARTIN

Executive Director, Fellowship Of Catholic University Students (FOCUS)

"Ted Sri has uncovered and clearly presented the Old Testament background needed to flesh out our understanding of Matthew's Gospel. The result is a better understanding of Jesus' life and mission—and ours. Readable and practical for independent and group study, *Mystery of the Kingdom* deserves two thumbs up!"

—STACY MITCH

Author, *Courageous Love: A Bible Study on Holiness for Women*

"In today's proliferation of easily forgotten 'mission statements,' it is exciting to read about a mission that really matters—Jesus' saving mission. Professor Sri's new book not only makes the Lord's mission electrifyingly clear; it shows how the kingdom is at its heart. *Mystery of the Kingdom* offers a fresh, fascinating, and truly spiritual insight into Matthew's Gospel. For a bonus, Bible study groups will delight in the probing study questions after each chapter."
