

CATHOLIC FOR A REASON TOLD YOU ABOUT THE FAMILY.

NOW LET'S TALK ABOUT MOM.

New Edition!
Revised and Expanded

C*atholic for a Reason II, Second Edition* will introduce you more deeply to Mary, the Mother of God, as *your* mother. Nine well-known Catholics, including Scott and Kimberly Hahn, Jeff Cavins, Tim Gray, and Leon Suprenant open the pages of God's family album (the Bible) to provide compelling explanations of Mary's role in salvation history and in our daily lives as Christians. The result is a moving tribute and convincing testimony that demolishes common misconceptions about Catholic teaching on Mary.

You'll learn why the Catholic Church teaches that Mary was immaculately conceived, remained always a virgin, and was assumed body and soul into heaven. You'll understand how Mary is the fulfillment of the Old Testament images. Most of all, you'll discover what it means to be a child of Mary in the Church.

This second edition of *Catholic for a Reason II* brings you 40 more pages of insight and inspiration from Scott Hahn, including a new chapter on the Luminous Mysteries and a step-by-step introduction to the biblical basis of the Marian dogmas.

Whether you're a non-Catholic who wants to learn about the Church's teaching, or a Catholic who wants to become a more articulate defender of the faith, the

Catholic for a Reason series is for you. Call and ask about our other titles in the series.
