### **The Luminous Mysteries: Biblical Reflections on the Life of Christ**

*"The Luminous Mysteries" was beautifully written and I felt intentionally invited into the life of Jesus Christ. It practically guided me into a very real and tangible relationship with Him. I would recommend it to anyone!"*

The Luminous Mysteries draws the reader into these newly proclaimed mysteries of the Rosary by demonstrating the intricate relationships of the relevant Old and New Testament texts. It brings the reader beyond personal recollections of Bible stories to a rich exploration of Bible verses. Tim Gray applies his craft of exegesis to pious devotion, allowing expertise to serve faith. He fulfills John Paul's goal of revealing the Face of Jesus Christ through contemplation of the Luminous Mysteries at the Blessed Virgin Mary's school of prayer.

Fr. Mitchell Pacwa, S.J.

Tim Gray's passion for God's word is contagious. He shines a bright light on the "mysteries of light" in *The Luminous Mysteries: Biblical Reflections on the Life of Christ*. This is a timely resource which is sure to help readers "contemplate with Mary the face of Christ" as called for by John Paul II in his apostolic letter on the Rosary.
