

## New book anticipates the 50<sup>th</sup> anniversary of the Feast of the Queenship of Mary

*“In this study, we have taken an important step. . . . We have returned to the biblical sources and allowed the scriptural view of the queenship and the kingdom to guide our understanding of Mary’s role in the kingdom of Christ.”*  
—Edward Sri, S.T.D.

Dr. Sri has manifested a wonderful capacity for study and has produced a work that offers a further appreciation of the biblical background for the titles of Mary in the Litany of Loreto and other prayers of the Church. I strongly recommend this work for the study and reflection of all those devoted to Mary. This book intelligently deepens one’s devotion to Mary, the Queen of Heaven, the Mother of Jesus, and the Mother of the Church.

—FR. JOSEPH HENCHEY, CSS  
Professor Emeritus, Pontifical North American College, Rome

The biblical queen-mother tradition is of paramount importance for our contemporary understanding of Our Lady’s dynamic role of spiritual queen and advocate for all humanity. Edward Sri offers an outstanding synthesis of this *Gebirah* or “Great Lady” biblical revelation.
