*“Gayle Somers and Sarah Christmyer take what is ancient and make it live before your eyes—making what is deeply theological useful for your daily walk with God.”*

—**Steve Ray**, author of *Crossing the Tiber*

July 2006, STEUBENVILLE, OH— Gayle Somers and Sarah Christmyer have teamed up again to offer the eagerly awaited second book in their “Hearts Aflame” Scripture Study, a series that blends the advantages of in-depth, inductive Bible study with the fullness of Catholic teaching. *Genesis II: God and His Family* explores chapters 12–50 of Genesis, uncovering rich details in the life of Abraham and the history of Abraham’s descendants, the very human family through whom God promised to eventually right all that had gone wrong in creation.

In this study, you will encounter the infinitely tender love of God for humanity and observe His relentless initiative to do whatever it takes for men to know and love Him as He originally intended. Come to understand Jesus and the Gospel better by the study of Genesis. See how the Catholic Church has taken seriously every word of truth in Genesis and enables us to remain connected to God’s original design for His creation. Get ready to be amazed!
